TAX PLANNING TIPS

File early to safeguard your refund. The IRS urges tax filers to avoid procrastinating in filing your returns in order to better protect your identity and prevent tax fraud. While it may seem unlikely you'll fall victim to tax fraud, identity theft and fraudulent tax returns are more prevalent than many think. By filing your tax return as early as you're able, you can greatly reduce your risk of getting scammed.

- **Collect records for tax time.** Watch the mail for IRS Forms 1099 and 1098 coming from Aeroquip Credit Union. Tax information is also included in your last statement of the year.
- **File and pay on time.** The tax filing deadline is April 15, 2021.
- **File electronically.** Electronic returns are safe, secure, and processed faster than paper returns, so you can rest easy knowing your taxes are filed safely and promptly. Plus, if you're expecting a tax refund, you can expect to receive your e-return several weeks sooner than if you were to file by mail.
- **Choose direct deposit.** You can choose to have your refund split between multiple accounts, making it easy to automate your savings. Simply provide your credit union account number(s) and our routing number: 272481512.
