**THURSDAY  
OCTOBER 19 2017**

This year's International Credit Union Day theme, "Dreams Thrive Here," is the perfect illustration of how credit unions serve as the catalyst to make different professions, personal choices and career paths real to credit union members all around the world. We look forward to taking the opportunity to celebrate this special day by recognizing the credit union movement's history, recognizing the hard work of those within the industry, and showing members our appreciation. We hope you will join us Thursday, October 19 as we celebrate International Credit Union Day with free cider and donuts in our lobby for all members. We look forward to seeing you there!
