ACU VISA Chip Cards Go Live!

Aeroquip Credit Union is pleased to offer members extra confidence and security with the new ACU VISA chip card. Effective March 1, 2016, Aeroquip cardholders will begin receiving the new VISA chip cards and can begin using them everywhere VISA cards are accepted.

HOW TO USE YOUR CHIP CARD

When making purchases at a chip-enabled point-of-sale terminal, simply insert the chip end of your card into the card reader located at the bottom of the terminal. Leave your card in the terminal until your transaction has been approved, and then simply remove your card. During this process, you will either be prompted to provide a signature or a PIN in order to authorize and complete the transaction.

HOW TO GET YOUR NEW CHIP CARD

If you are a current Aeroquip VISA cardholder, there is no need to request a new chip card. You will receive a new ACU chip card upon the expiration of your current ACU VISA.

If you have any questions regarding the new chip card technology, please feel free to contact a member service representative.
