INTERNATIONAL CREDIT UNION DAY

Thursday, October 20, 2016

International Credit Union Day has been celebrated on the third Thursday of October since 1948. The day is recognized to reflect upon the credit union movement's history and to promote its achievements. It is a day to honor those who have dedicated their lives to the movement, recognize the hard work of those working in the credit union industry, and show members our appreciation.

We hope you will join us Thursday, October 20th as we celebrate International Credit Union Day with free cider and donuts in our lobby for all members. We look forward to seeing you there!

LET'S STAY CONNECTED

If you have recently moved or changed your phone number, email address, or other contact information, please take a moment to contact us and let us know.

Have plans to travel? We regularly monitor credit and debit card activity for suspicious transactions, so if you are heading out of town, please let us know before you go. That way, we can ensure your cards remain active while you're gone.

WE'VE RAKED UP SOME Great Low Rates

With the holidays quickly approaching, fall is a great season to start saving whenever and however you can. Our special fall rates make it easy to start piling on the savings when you finance your vehicle with us!

As low as 1.99% ^{APR*} | UP TO 72 MONTHS

If you already financed a vehicle with another lender, you may be able to lower your monthly payments by refinancing that loan with Aeroquip Credit Union. Just bring your current auto loan to us, and we'll show you how much you could start saving by refinancing with our special fall rates.

Stop by the Credit Union or visit www.aeroquipcu.com to apply today.

*APR = Annual Percentage Rate. Quoted rate is the lowest available rate. Your rate will be based on your credit history and may be higher. Rates and terms subject to change without notice.

Have a **Holly Jolly Season** with the help of our **Holiday Loan**

VISA Credit & Debit Chip Card Update

ACU chip cards are now being issued! If you are an Aeroquip VISA credit or debit cardholder, you do not need to contact us to request a new chip card. You will automatically receive your new card when your current card reaches its expiration date.

If you've recently received your new chip card, we hope you are enjoying the extra security and fraud protection it has to offer. Please note, rather than swiping your card at chip-enabled point-of-sale terminals, you will need to insert the chip end into the terminal and leave your card there until the transaction has been approved. If you have any questions about your new card, please give us a call and we'll be happy to assist you.
