National Credit Union Youth Month

Save Small. Dream Big.

at your credit union™

April 1-30, 2022

Dreaming big doesn't mean you need to start with big actions. The first step is usually the hardest, but once it has been taken, the momentum can be used to propel you forward. This year's theme for National Credit Union Youth Month, "Save Small. Dream Big. at your credit union," is designed to show young members that their dreams are attainable, no matter how big or small they may be!

If you've been wondering how to empower your kids to save for their future, National Credit Union Youth Month is a great opportunity to start. Join us this April as we take the opportunity to encourage youth to start saving regularly. Our Youth Month celebration is a great time to engage kids and to help young members see that saving, no matter how small the amount, can help them achieve their dreams. Bring your child in to the Credit Union throughout the month of April to get in on these exciting Youth Month Giveaways!

Don't Let Spring Break Break the Bank

Keep your spring break fun in synch with your spring break budget by keeping these money saving tips in mind as you make your plans.

Be a planner. Avoid overly expensive last-minute travel plans by looking for and comparing deals as early as possible.

Be a talker. Often, the best way to find the best inexpensive experiences is to get first-hand recommendations on what to do, see, or avoid from friends, acquaintances, or locals.

Consider your transportation. There's a good chance that driving to your destination will cost less than flying. Plus, road tripping offers the additional experience of low-cost sightseeing and experiences along the way.

Consider your lodging. Consider Airbnb, camping or motels over the more expensive alternative of staying in hotels.

Pack smart. Replacing forgotten items, such as toiletries, swimsuits, shoes, and sunglasses can end up adding a rather large junk of money and time to your vacation budget.

Eat smart. Booking a rental home or hotel room with a dinette or kitchen may take a little more of your lodging budget, but it could end up paying off in a big way if you opt to make your meals rather than eat out three times a day. Likewise, consider fast food or buffets rather than large expensive meals every day.

Keep your budget in mind. You may be on vacation, but that doesn't mean your budget should be on vacation too. Remember, you don't have to spend money on excessive souvenirs, impulse buys, last minute activities, and excessive food bills to have fun.

Holiday Closings: Memorial Day - Monday, May 30
