Recent Community Involvement

Our team also stayed active in the community by participating in the Women 4 Women Open House, volunteering at the Charcuterie Board Walk and Fairy Festival, and celebrating the ribbon cutting of Duke's Place at JCAS.

When Communities Unite, Women SOAR

SOAR Café & Farms is a local nonprofit that empowers women survivors of human trafficking, addiction, sexual abuse, and trauma by providing healing, housing, employment, mentoring, and life skills support. Throughout the year, we'll be partnering with SOAR through fundraising and awareness efforts to support this impactful mission.
