Dear Aeroquip Credit Union

Thank you for your generous sponsorship of \$300 of the Garrett Family New Home Fund. Your support will have a direct and lasting impact, ensuring the Garrett family can thrive in a home designed to meet Kimmie's accessibility needs.

Your contribution will help build a safe, accessible home that provides the stability the Garrett family needs as they continue to navigate Kimmie's ongoing medical care.

We will provide updates and future opportunities to stay involved throughout Kimmie's new home journey.

Visit our Facebook page and our website, [jacksonhabitat.org](http://jacksonhabitat.org). You can also sign up for our newsletter and other updates at [jacksonhabitat.org/get-updates](http://jacksonhabitat.org/get-updates).
